

# MODIFICATION OF VISITATION OF SUPERIOR COURT ORDER

This packet contains forms and information on how to modify a visitation order that was originally issued by a Superior Court in Georgia.

**NOTE: You can only file a Modification of Visitation when it has been two years since a judge signed an order for visitation unless you can show that there has been a material change in circumstances.**

It is advisable to have an attorney when filing legal papers to be sure that your rights are protected and that all the procedures are correctly followed. **Courthouse personnel are prohibited by state law O.C.G.A. § 15-19-51 from giving legal advice.** Different situations may require special procedures and courthouse personnel cannot advise you on how to proceed or what forms may be necessary in specific situations.
